

**APPENDIX 1 - THE COMMONWEALTH WAR GRAVES
COMMISSION LIST OF CHINESE RECRUITED TO WORK
FOR THE ARMED FORCES 1915-1920**

This list is taken from the Commonwealth War Graves Commission list of those named on the Hong Kong Memorial of the Commonwealth War Dead, Stanley War Cemetery, of those who died in Asia (who were recruited from both Hong Kong and China), and from records in the British War Office archives of those who died in East Africa (who were recruited in China) located by Mr Justin Ho.

Names are listed in alphabetical rather than date order. The date is the date of death. The organisations in which they worked, almost entirely in Mesopotamia, were:

- Chinese Porter Corps
- Field Park, Royal Engineers
- Indian Labour Corps
- Indian Military Works Services
- Indian Railway Department
- Inland Water Transport, Royal Engineers

- Port Administration and River Conservancy Department
- Royal Indian Marine
- Chinese Labour Corps / Contingent, Dar-es-Salaam, East Africa
